**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My husband and I are seniors. Our son introduced us to Sonic.net several years ago, and we have been using this provider for phone and internet services which we have been very happy with. Sonic.net's prices are very competitive, which is important to us, and customer service is excellent.

We urge you NOT to make any changes that would cause us to lose this provider or that would cause rates to go up.
